Alma's Dash

9/20/1935 - 5/1/2020

You might think Alma's greatest accomplishment was her 5 children, 22 grandchildren and 48 great grandkids..... she always wanted to be known as our mom or Gmaw. My granddaughter said "Mimi you do know why we call her Grandmaw great? because she is our grandmother and she is GREAT". Sometimes her proudness of her family was questionable. I mean we are far from the "Hallmark Family " however that was never the mark she strived for.

Mathew 22:

37 Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.

38 This is the first and great commandment.

39 And the second is like unto it, Thou shalt love thy neighbor as thyself.

40 On these two commandments hang all the law and the prophets.

My mommy's dash was all about LOVE. She loved with all her heart, soul, mind and strength. Her greatest gift to us all..... her LOVE

“ Alma was a good friend during Jaycee/Jaycee-ette days. So many wonderful memories. She was always ready to help with a big smile on her face. She will always be in our memories.

“ I remember being very small. Visits to grandmas house were always a joy. During these visits it was nothing for her to find my sister Danielle and I rummaging her closets to find the fanciest dress up clothes we had ever seen! She allowed us to wear her boas, costume jewelry and even had reserved us a box of makeup saved especially for these occasions. The red lipstick just waiting to be tried on... Then there were the exquisite white gloves that swallowed our tiny arms and stretched all the way to our shoulders. My personal favorite of course. As we walked down the stairs Gmaw proudly stood at the bottom to announce the entrance of her two beautiful granddaughters. Smiling from ear to ear. I can only hope to be such a warm loving beautiful soul as my grandmother was. She really was the very best. I love you grandma...you are sorely missed and will forever be in my heart!

“ Alma was a great lady. A lady that truly loved the Lord. I worked for her for several years off and on. Anytime I was between jobs it seemed there was always a place for me at City Linen. To the family I am truly sorry for the loss you all are going through. Alma was a very sweet and caring person and will be greatly missed. Much love to all of you, Brian Ramsdell.
