“ Many years ago I cared for Mrs. Eloise at Midland Meadows in Ona WV. She was an amazing woman and I have so many wonderful memories of her. Sometimes you meet patients who leave a lasting impression on your heart and Mrs. Eloise did that for me. She was a joy and I am thankful that I was able to care for her. My condolences to the family, she really was special. Sending love, light & hugs.

“ I love you so much and will never forget you Aunt Eloise. You are now, and have always been the picture of grace and elegance. You are by far one of the most amazing people that I had the pleasure of having in my life. Forever you little rosebud.

“ Aunt Eloise I love you so much , you have taught me so many things as a young how to sit properly and set a table, how to dress like young lady, you were the second to know I was in labor with Tiffany, and was there when I brought her home, you called her rosebud. You have always been there for me , you have always been a Mother to me thank you so much. I will see you in Heaven. I love you so much.
