“ Elizabeth was a beautiful soul, she loved everyone especially Eric and their kids..she was there for anyone who needed her. An inspiration to all..she helped alot of people with their recovery at Presteria...to me she was "my person" the first day I met her at TLK and ever since...losing her is a tragedy but I know she was tired and now she's with her mom once again so I'm happy for her but miss her terribly....fly high beautiful blue eyed angel!!
