“ I interviewed and hired Janet for Hospice. I could tell immediately that she was perfect for the position. She had a quiet, kind, compassionate heart for people. Janet was a hard worker and was always there when a staff member needed a hug. Everybody loved her. Praying for your family in your loss.

“ I met Janet when I went to work at Hospice of Huntington. I remember she was a kind gentle woman, never having a cross word for anyone, and lived her faith by serving others. God has a new angel now.

“ Dear Family,
I can not be sure that you received my first message, so I am trying again. First of all, please know how sorry I am for your great loss. Janet was such a kind lady, extraordinarily nurse and one who shared her love for Christ easily and faithfully.
I have a crocheted bookmark she gave me several years ago in my Bible. I think of her every time I see it. I felt honored to call her "friend".
She is with the Lord now and that is such a comfort to know our loved ones are with Him. You shall be in my prayers.Jo Ghiz
