“ Janet was like a grandma to me when I worked at Big Lots. She taught me alot in that time we worked together. We shared a love of books and often exchanged reads. Janet was one of the sweetest people I've ever known. She will me greatly missed.

“ To my dear cousins, Donald, Michael and Jeffrey, words cannot say how saddened I am to hear of your mom's passing. I love your mom, my Aunt Janet. There are so many beautiful memories with Aunt Janet that I will always hold close to my heart. Your mom, my Aunt Janet, had some sense of humor! Getting together in Philadelphia at Grandma's all under the same roof with all of us together, OMG what memories! Even though we were all so young, the laughter and the craziness that all the sisters and Grandma had when we were together will always put a HUGE smile on my face forever! The race to get to grandmas first for that front room, the ice cold Mummies New Years Day parades that we all went to together, the visits at Aunt Flossie and Uncle Joe's and hearing all of them singing in the kitchen ... and I remember one time when Aunt Janet came to visit us in Mineola and Stephen and I ran outside with pots and pans banging them together as your mom got out of the car!! HUGE smiles!! I hope one day we can all talk together and laugh about such good times!
My love, hugs and deepest sympathy to my cousins Donald, Michael and Jeffrey.
Your cousin- Barbara

“ Cousin Donald, Michael and Jeffry - I loved your Mom, she was the one who most reminded me of my Mom, her sister, Marion. I remember you all and even the last time I saw you all (Donald had come to Philly for dental work and we were able to visit when I was in my 20's - would have known each other anywhere!) I am so sorry for your loss; she and I stayed a bit in touch, but not enough. But enough to know she loved you all so much. I saw so much of her when I was kid coming to visit - I can see her sitting next to us. My Mom loved her and so did my Dad - He stayed in touch as much as he could to your Mom - he just passed away on this past Thanksgiving at age 92--he would actually ask about Janet and all Mom's sisters almost all the way to the end! Bless you all, I see there is no service and with or without one it will be hard to say goodbye to her at least for me. I always felt so connected to her. I hope you all heal ok - Cousin Jason

“ Cousins Donald, Jeff and Michael, I am so sorry to hear of her passing. Cousin Steve was kind to reach out. Aunt Janet being the youngest of the bunch, was always fun to me. She had a knack of finding the right thing to say to my mom, Marion. Like she call mom sarge once, the look my mom gave Janet was priceless. Only the baby could get away with. I can still see her with the cat eye glasses as she told me the rest of the story. She like I did cross stitch pictures. I still have the one she gave me of the kittens hanging on my quilting room wall. Please let me know if you need anything. Even though I am far away from the East, I can get there. Much love too you all. Cousin Gigi

“ Two weeks ago I ran by to see her and was shocked to find the house empty. I was her neighbor before we moved to Barboursville and even then I saw her frequently. When I lived next door she would babysit my cats when I was out of town and she always asked about them when I visited. I know she is now well and happy and even though I will miss her I will see her before long. I am sorry that you will miss her also and I send my sympathies to each of you.
