“ Big John and I worked together at McCorkle Machine shop, he was one of the first guys I met in 1985, he shared stories of him and my cousin Steve Ash running around. He has a heart that matched his size and was always willing to help anyone. Great guy, sad to see him gone. Prayers to his family. 🙏

“ I spent many of my teenage weekends with this great guy at the farm. He always had a smile on his face and not a care in the world. I never drive up Route 2 and not think of those many memories made hanging out at the farm. He will truly be missed by all who knew him. Rest easy big guy. I'll see you on the other side.

“ The first time I met Bub, He, Vern and I went to the farm. He wanted to take us on a tractor ride, I guess to break me in, lol. Little did I know, I'd be covered in red clay mud when we were done. I'm truly gonna miss calling him up on my birthday to tell him to come join the party. I'm gonna miss you Bubba John! Rest in Peace!
Love, Sandra
