“ The last time I seen you 2 weeks ago. I will always remember that huge smile you had on your face and when you was leaving the smile and the waving bye. If I would have known that was the last time I would have seen you. I would have gotten a hug and told you how much you are loved. Ps. Tell Mike to hold out on some of the scaring for me. until we meet again

“ Mary Beth, I was Josh's Best Friend..he practically lived with me, and my fiance. Josh and I , we're really close/tight with one another, so with that being said, I know my heart is broken into a million pieces with his passing and so I couldn't imagine what you must be going through during this tough time. I just wanted to share my condolences to you and his beautiful kiddos and I'm so very sorry for your loss girl . If there is absolutely anything I could do for you to help in any way whatsoever, please feel free to contact me on (FACEBOOK), under Leslie Burd. EVEN if you just want a shoulder to lean on , cry on, what ever the case may be. I was around Josh almost every single day and night for the last 6,7 months if not longer up until his passing so if you want to know anything or just ask questions I would be more than happy to talk to you cuz him and I had ALOT of conversations about you and his kids almost every other day he would talk to me about you all and how much he loves y'all and missed y'all so I'm here for you if you wanna talk or anything. Keep your head up, he wouldn't want to see you hurting or upset just happy smiling knowing he's watching over his wife and kids

“ Jen, sis, my heart hurts so badly for you. I wish there were something I could do to make you feel better. I'm here for you for anything at anytime. He feels no more pain and you WILL see him again...whole and loving you like he truly did. For now you have to honor him and his memory while the Lord holds your place for you. I love you dearly.
