“ Shirley and I were buddies thru our teen years. We had such a fun time bringing up our kids together. Remembering our camping trip to Canada. Driving thru New York City with 10 of us in one station wagon. Setting our tent up every night on our way to Canada!

I'm sorry for your loss. Keep remembering the good times. Love to you all. Ruth Ellen.

“ Tony, Tim, Leigh Ann and Lesia, I am truly sorry to hear of the passing of your mother. I have very fond memories of her seemingly endless energies and the kindness she showed to me during my early college years. Please know that you have my most sincere healing and comforting thoughts at this sad and difficult time.
