“ I truly enjoyed the time I spent on Portsmouth Council with Tom. He was a dear friend even after I left Council. Whenever my phone would ring and I would hear the voice on the other end ask "Miss Jo?" I knew I was going to have a long conversation with a very good friend. Tom had a heart of gold and was devoted to his Sciotoville constituents. I am really missing him.

“ Tom, you and I go way back to minor league days in the sixties and had great memories of high school. We never got to do the fishing trip to Florida but one day we can talk about it again. I'll miss you and sharing our old memories. RIP my friend, Tim Williams

“ Michelle, Kathy, and Casey, and the rest of the Lowe family, my favorite memory of Tom is seeing his joy while listening to the Ramones while sitting in his little sports car in your yard. And I am so proud of him for representing the Ville in hostile Portsmouth, which usually ignored the Ville. He will be sorely missed.
